Stewardship

Righteous Stewards

"For I tell you, unless your righteousness exceeds that of the scribes and Pharisees, you will never enter the kingdom of heaven." MATTHEW 5:20

The Pharisees lived according to the letter of the law, not Stewardship. They used this to elevate themselves above the other people. Jesus is clear – it's the love that you have in your heart, for God and others, that will get you to heaven. Simply following church rules to the letter and not out of love, does not necessarily put you on the path to heaven. Attending Sunday Mass and then gossiping about a fellow parishioner on the parking lot is an example of being a modern-day Pharisee.

Question of the Week

LIVING IN THE LIGHT

The Word

Reading for February 15, 2026
Matthew 5:17-37

Adults:

Jesus seems to be telling us that our intent is important, as important as actions we take. Why do you think he teaches this?

We offer this form of *Lectio Divina* (sacred reading) for pondering Scripture and for faith sharing with family members and other people.

- Listen/ Read (*Lectio*): Ponder God's word and listen for what touches your heart.
- Meditate (*Meditatio*): Attend to what you notice. Allow God's word to resonate in you.
- Speak/Share (*Oratio*): Prayerfully share with Jesus or with the group your thoughts and feelings.
- Rest in God's presence (*Contemplatio*): Notice God's presence and be still, surrounded by God's love.
- Choose to act (*Actio*): Trusting in God's nearness, commit to action rooted in love.

Youth:

What do you do when you have feelings of anger toward someone?

Children:

What do you do when you feel anger toward someone?

Holy Hour of Eucharistic Adoration

Join us for a Holy Hour of Eucharistic Adoration on **Saturday, February 21**, from **10:00–11:00 AM**, as we encounter the true and living presence of Jesus Christ in the Blessed Sacrament.

The Holy Hour will begin with hymns and prayer, followed by a period of silent adoration, offering a peaceful opportunity to rest in the Lord's presence.

The **Holy Rosary** will be prayed at **9:30 AM**, following Mass, as a beautiful way to prepare our hearts for this sacred time of worship. All are welcome.

OCIA - Rite of Sending

Next Sunday, February 22, during the 10:30 Mass, we will celebrate the Rite of Sending for catechumens Jaime Calvo Otterwell, Paige Lewis, Angelo Marchiano, Luis Santiago, and Erik Tingley, as they prepare to enter the Order of the Elect on their journey to receive the Sacraments of Initiation (Baptism, Confirmation, and Eucharist) at this year's Easter Vigil. This rite allows our parish to acknowledge the work of God in the lives of these catechumens, formally declaring them ready to be presented to the bishop for the Rite of Election, which will take place that afternoon in Blackwood. Please keep Jaime, Paige, Angelo, Luis, and Erik--and all of our catechumens and candidates--in your prayers!

Christ Our Light Book Group

February 26 at 7:30 PM Join us as we discuss *The Afternoon of Christianity* by Rev. Tomáš Halík. Meet in person in the Parish Center's St. John's Room, or attend via Zoom (link will be sent closer to the meeting date). Questions? Contact Tom deWolf at 856-298-0089 or tjmdewolf@gmail.com.

Book recap:

In a world transformed by secularization and globalization, torn by stark political and social distrust, and ravaged by war and the recent pandemic, Christians are facing a crisis of faith. In *The Afternoon of Christianity*, Father Halík reflects on past and present challenges confronting Christian faith, drawing together strands from the Bible, historic Christian theology, philosophy, psychology, and classic literature. In the process, he reveals the current crisis as a crossroads: one road leads toward division and irrelevance, while the other provides the opportunity to develop a deeper, more credible, and mature form of church, theology, and spirituality in other words: an afternoon epoch of Christianity.

Know the warning signs of heart attack and stroke

You could save your life

Heart attack and stroke are life-or-death emergencies — every second counts. If you think you or someone you're with has any symptoms of heart attack or stroke, call 911 immediately.

For a stroke, also note the time when the first symptom(s) appeared. A clot-busting drug received within 3 to 4.5 hours of the start of symptoms may improve your chances of getting better faster.

Heart Attack Warning Signs

Some heart attacks are sudden and intense, but most of them start slowly, with mild pain or discomfort. The warning signs are:

-  • Chest discomfort. Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness or pain.
-  • Discomfort in other areas of the upper body. Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw or stomach.
-  • Shortness of breath. This may occur with or without chest discomfort.
-  • Other signs may include breaking out in a cold sweat, nausea or lightheadedness.

As with men, women's most common heart attack symptom is chest pain or discomfort. But women are more likely than men to experience some of the other common symptoms, particularly shortness of breath, nausea/vomiting and back or jaw pain.

Stroke Warning Signs

- Sudden numbness or weakness of the face, arm or leg, especially on one side of the body
- Sudden trouble seeing in one or both eyes
- Sudden confusion, or trouble speaking or understanding
- Sudden trouble walking, dizziness or loss of balance or coordination
- Sudden, severe headache with no known cause

The acronym F.A.S.T. is an easy way to recognize and respond to the sudden warning signs of stroke. The letters stand for:

-  • **Face drooping** — Ask the person to smile. Does one side of the face droop or is it numb?
-  • **Arm weakness** — Ask the person to raise both arms. Is one arm weak or numb? Does one arm drift downward?
-  • **Speech difficulty** — Ask the person to repeat a simple sentence such as, "The sky is blue." Is the sentence repeated correctly? Are they unable to speak, or are they hard to understand?
-  • **Time to call 911** — If the person shows any of these symptoms, even if the symptoms go away, call 911 and get them to the hospital immediately.

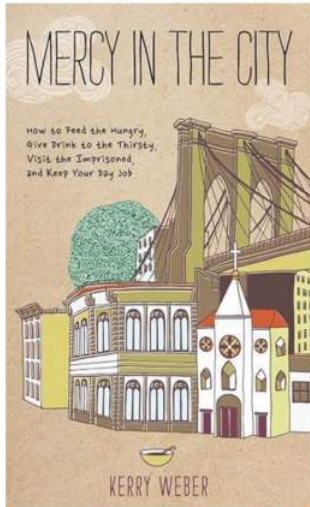

The American Heart Association and National Heart, Lung, and Blood Institute are working together for women, for healthy hearts.

What happens when a US citizen is married to an undocumented spouse?

Julie Moreno shares her story about experiences she and her husband, Neftali Juarez Garcia are facing under current US immigration laws.

*American Families United (AFU) is a non-partisan 501(c)(4) non-profit, focusing on family unity in immigration by advocating for legislation like the bipartisan American Families United Act, aiming to help U.S. citizens with foreign spouses, a cause that finds support across the political spectrum. Celebrating our Parish

"What a way to truly kick off Catholic Schools Week by 'Celebrating our Parish!' Not only did our wonderful K.O.C.A. host a delicious Pancake breakfast yesterday, but our Student and Family Mass was brimming with smiles and families worshipping together.

Our Open House was also a hit, with lots of welcoming Tour Guides and familiar faces introducing our halls. To top it off basketball and cheerleading filled the gymnasium with School Spirit! Here's to a wonderful week here at RCS!

Did you miss the Open House, but are still interested in exploring Resurrection Catholic School for your child? Please reach out to Mrs. Shannon Bianco anytime for a Private Tour or to inquire about admissions. Contact her at Advancement@rcscherryhill.com or call 856-667-2024, ext. 253 TODAY!"
