Question of the Week

LIVING IN THE LIGHT

The Word

Reading for March 15, 2026

John 9:1, 6-9, 13-17, 34-38

Adults:

Share how you, as a child of the light, in the power of Christ, produce goodness, justice, and truth for the world. What specific actions do you take to do this?

We offer this form of *Lectio Divina* (sacred reading) for pondering Scripture and for faith sharing with family members and other people.

- Listen/ Read (*Lectio*): Ponder God's word and listen for what touches your heart.
- Meditate (*Meditatio*): Attend to what you notice. Allow God's word to resonate in you.
- Speak/Share (*Oratio*): Prayerfully share with Jesus or with the group your thoughts and feelings.
- Rest in God's presence (*Contemplatio*): Notice God's presence and be still, surrounded by God's love.
- Choose to act (*Actio*): Trusting in God's nearness, commit to action rooted in love.

Youth:

Jesus helped a blind man see—and he helps each of us see the world differently. How do you see differently because you believe?

Children:

What are the things that Jesus wants you to do as his friend?

OCIA

Second Scrutiny for the Elect

This Sunday during the 10:30 Mass, we celebrate the Second Scrutiny for our elect. Like the man born blind, these elect seek the Light of Christ. Together we ask God to purify their minds and hearts as they continue

their journey to become children of the Light at the Easter Vigil. Please keep Jaime, Paige, Angelo, and Erik in your prayers!

40 Days for Life Lenten Invitation

Looking for a new way to observe Lent? Join us for the Spring 40 Days for Life Campaign which takes place from Ash Wednesday, February 18th until Palm

Sunday. We will pray and fast for an end to abortion locally where we live.

We aim to maintain a PEACEFUL, PRAYERFUL PRESENCE from 7 am until 7 pm Tuesdays - Saturdays at the local abortion facility, Cherry Hill Women's Center, located at 502 N. Kings Highway in Cherry Hill, NJ.

We ask participants to commit to one hour each week. You will be with at least one other volunteer for the hour. Thus, through prayer and penance we "Rescue those who are unjustly sentenced to death: don't stand back and let them die." (Proverbs 24:11). Cherry Hill is one of over 650 cities that will participate in this worldwide effort to save lives and to show our love for both mother and child! Please call or text Claire at 856-313-9861 or email Claire@helpersnj.org for more information. Visit 40daysforlife.com/cherryhill to register and sign the Statement of Peace.

As the pro-life movement gains historic ground nationwide, former MN abortionist and current 40 Days for Life director of medical affairs and education Dr. Haywood Robinson, is bringing his powerful message of faith, victory, and life to Cherry Hill on Sunday, March 22. Robinson will be speaking and rallying the local community to stay bold in the fight for the unborn.

Cherry Hill is one of 611 cities participating in the latest 40 Days for Life campaign, running February 18–March 29. The campaign is built around 40 days of prayer and fasting, peaceful vigil outside abortion facilities, and grassroots outreach to the broader community.

Pope Leo XIV on Middle East Violence

Archbishop Paul S. Coakley, President of the U.S. Conference of Catholic Bishops, Echoes Pope Leo XIV's Appeal for Renewed Dialogue Amid Rising Tensions in the Middle East
March 1, 2026

"The growing conflict risks spiraling into a wider regional war. As the Holy Father has warned, we are faced with the possibility of a tragedy of immense proportions. My brother bishops and I unite our voice with our Holy Father and make the heartfelt appeal to all parties involved for diplomacy to regain its proper role. We ask for a halt to the spiral of violence, and a return to multilateral diplomatic engagement that seeks to uphold the 'well-being of peoples, who yearn for peaceful existence founded on justice.' All nations, international bodies, and partners committed to peace must exert every effort to prevent further escalation.

At this critical moment, I invite Catholics and all people of goodwill to continue our ardent prayers for peace in the Middle East, for the safety of our troops and the innocent, that leaders may seek dialogue over destruction, and pursue the common good over the tragedy of war. We implore the intercession of our Blessed Mother, Mary, Queen of Peace, to pray for our troubled world and for a lasting peace."

Catholic Relief Services - A Story of Hope from Timor-Leste

Most teenagers don't start their day by walking down a hill to collect water, feeding pigs or tending vegetable gardens. But for 14-year-old Adriana, who lives in the remote village of Ermera in Timor-Leste, these are daily responsibilities. In a region where malnutrition is common among adolescent girls, Adriana's physically demanding routine shows how important adequate nutrition is for healthy growth.

Growing up in a remote village, Adriana faces long treks to school, seasonal foods and limited access to nutritious food. The family's income from coffee harvesting lasts only a few months each year, so balanced meals are rare outside of harvest season. "If it's the coffee harvest season, we have money and can have these types of [nutritious] foods weekly, but if it's not coffee season, then it might be once every two weeks or once a month," says Adriana.

Visiting the local market further highlights the challenges of malnutrition. The distance to the market and the high cost of fresh food are additional barriers. Unemployment and a lack of knowledge about healthy eating in Adriana's community mean people don't consume a variety of foods, which leads to poor nutrition.

That's why Adriana attends monthly sessions put on by CRS and local organizations to learn about how to improve her nutrition and self-care. In these sessions, Adriana learns about how conditions like anemia, often caused by low iron levels, lead to fatigue and weakness.

(Left: During a nutrition session, Adriana reads a magazine that teaches her about the symptoms of anemia, why it's important to eat healthy food and the benefits of taking iron supplements.)

"When I attend the nutrition session, it helps me to understand more about the importance and benefit of food for my development," Adriana says. "When I eat good nutritious food, it will help me to grow healthy to support my brain [functioning], so I can learn more and achieve my dream. I want to be a doctor, to be healthy and help others because in our villages there is no doctor." Adriana also receives healthy snacks, comprised of protein and carbohydrates, at school during nutrition sessions to foster healthy eating habits. "The nutrition session with the adolescent girls at the schools has a massive benefit for the girls as they are key for the future. The right time to prevent anemia is when the girls are still adolescents," says Liborio Martins, head of programming at District Health Services in Ermera.
