Stewardship

Good Stewards

"For it is better to suffer for doing good, if that be God's will, than for doing evil." 1 PETER 3:17

The old line says "if you want to make God laugh, tell him your plans." Many of us are diligent in our planning and making sure things are progressing smoothly. Then disaster strikes, we don't get the result we anticipated or an unforeseen problem arises. Many times we may respond negatively and ask, "Why me? I did everything right!" Here's the thing – adversity humbles us and reminds us of our dependence on God and not on our own self-reliance. Rest assured, God has a better plan in store for his stewards.

Parish News

Holy Hour of Eucharistic Adoration

Join us for a Holy Hour of Eucharistic Adoration on **Saturday May 16**, from **10:00–11:00 AM**, as we encounter the true and living presence of Jesus Christ in the Blessed Sacrament. The Holy Hour will begin with song and prayer, followed by a period of silent adoration, offering a peaceful opportunity to rest in the Lord's presence.

The **Holy Rosary** will be prayed at **9:30 AM**, following Mass, as a beautiful way to prepare our hearts for this sacred time of worship. All are welcome.

NEW Collection Envelopes

As you may be aware, over the last few months, we have experienced delivery issues with our envelopes. Envelopes either arrived very late or not at all.

As a result, we are in the process of transitioning to a new envelope company beginning with the June envelopes. Going forward, envelopes will be mailed every two months. So for example, with our first mailing, envelopes for both June and July will be sent.

VBS - Snowball Mountain Challenge

VBS is scheduled for **July 13 – 17, 9am – Noon**. Boys and girls age 5 years June 30 and after, through those entering 5th grade in September will experience five days of frosty games, snowy surprises, and hands on lessons about resilience and faith. Guided daily by our puppet "Ollie the Arctic Seal" who reports on each day's events, the children will learn to draw strength from their faith through powerful Bible stories of courage and hope.

See our website for registration and volunteer opportunities.

Question of the Week

LIVING IN THE LIGHT

The Word

Reading for May 10, 2026

John 14:15-21

Adults:

How have you noticed the work of the Holy Spirit during these challenging weeks of the pandemic?

We offer this form of *Lectio Divina* (sacred reading) for pondering Scripture and for faith sharing with family members and other people.

- Listen/ Read (*Lectio*): Ponder God's word and listen for what touches your heart.
- Meditate (*Meditatio*): Attend to what you notice. Allow God's word to resonate in you.
- Speak/Share (*Oratio*): Prayerfully share with Jesus or with the group your thoughts and feelings.
- Rest in God's presence (*Contemplatio*): Notice God's presence and be still, surrounded by God's love.
- Choose to act (*Actio*): Trusting in God's nearness, commit to action rooted in love.

Youth:

Loving Jesus and following his commandments seems simple to understand; why makes it so complicated and difficult?

Children:

The Holy Spirit is the Spirit of Truth, that little voice inside you telling you what you should and should not do. When have you listened to the voice of the Holy Spirit?

Invasive Species and Creation Care

Caring for Creation includes working to keep the local natural ecology in balance. Consider keeping tabs on invasive species in your locality and helping to take action. Invasive species like common Buckthorn can upset that natural balance. Common Buckthorn is a shrub or small tree that crowds out desirable plants in neighborhoods and takes over entire woodlands. Buckthorn poisons the soil with a chemical called emodin which prevents native plants from growing. Emodin also harms frogs. Buckthorn spreads quickly when birds eat and eliminate the berries, but those berries also make birds sick.

In caring for God's Creation, please consider identifying and removing invasive plants like Buckthorn, Honeysuckle, Garlic Mustard, Autumn Olive and Burning Bush, and replacing them with native plants that will support pollinators, birds, and amphibians. Spring is a great time to remove these invasive plants! Also, check out local forest preserve opportunities for volunteer events to remove invasive species. More information on invasives at: https://dep.nj.gov/wp-content/uploads/invasive-species/pdir2004-02_appendix.pdf

Mustard Seed Mission

Dear Friends:

For more than a decade, our parish community at Christ Our Light has been blessed to walk alongside the Mustard Seed Mission—an orphanage dedicated to caring for some of the poorest and most vulnerable children in the world. What began as an act of service has become a transformative relationship, not only for the children we serve, but for those who go on mission from COL..

Mustard Seed
Communities
CARING FOR THE MOST VULNERABLE

Over the years, we have sent students and volunteers whose lives have been **profoundly changed**. Missionaries return home with:

- Renewed faith, open hearts, and a deeper understanding of what it means to live the Gospel.
- Many have gone on to shape their lives and careers around service to others.

Just recently, I reconnected with two former missionaries, Elizabeth Bishop and Rebecca Colokot—best friends from high school who once traveled together to serve in Moneague Jamaica.

After just one week at Mustard Seed, both shared how their faith was reignited and their purpose clarified. Today, Elizabeth serves as a dedicated cardiac nurse in San Francisco, and Rebecca is pursuing her calling in medical school. Their lives stand as a testament to the lasting impact of this mission.

This year, a small but committed group of clinicians has said “yes” to serving from July 4–9. Whether or not we are able to travel, the needs of the children at Mustard Seed remain urgent. Access to basic necessities—medicine, nourishment, and daily care—is critical to their well-being.

We invite you to be part of this mission. THANK YOU to the donors who have given generously over the years.

Your generosity can help provide essential medical supplies, food, and care for these precious children. It also supports the ongoing legacy of Christ Our Light missionaries—past, present, and future—who continue to answer the call to serve.

Please consider making a donation to Mustard Seed Mission. Together, we can continue to be the hands and feet of Christ for those who need it most.

Scan the QR for more information and to support the volunteers!

With gratitude and hope,

Sherine Green
