Stewardship

Stewards Good Seeds

"The kingdom of heaven may be likened to a man who sowed good seed in his field... He who sows good seed is the Son of Man, the field is the world, the good seed the children of the kingdom." - MATTHEW 13:24, 37-38

As children of God, we are all "good seeds". We are blessed by God with the potential to accomplish much good in the world. We fulfill God's plan when we spend time in prayer every day, use our skills to help others and share our financial gifts to help build God's kingdom on earth. Through our stewardship of gratitude and generosity we sow "good seeds" on earth and ultimately help each other get to Heaven!

Question of the Week

LIVING IN THE LIGHT

The Word

Reading for July 19, 2026
Matthew 13: 24 - 30

Adults:

What are the good seeds we sow within our circle of family and friends? Do we sometimes sow weeds as well?

We offer this form of *Lectio Divina* (sacred reading) for pondering Scripture and for faith sharing with family members and other people.

- Listen/ Read (*Lectio*): Ponder God's word and listen for what touches your heart.
- Meditate (*Meditatio*): Attend to what you notice. Allow God's word to resonate in you.
- Speak/Share (*Oratio*): Prayerfully share with Jesus or with the group your thoughts and feelings.
- Rest in God's presence (*Contemplatio*): Notice God's presence and be still, surrounded by God's love.
- Choose to act (*Actio*): Trusting in God's nearness, commit to action rooted in love.

Youth:

What weeds might grow in the garden of our heart? How can we pull them out?

Children:

How can we plant seeds of kindness?

Welcome to New Altar Server

Welcome to our New Altar Server Abigail Cadisal (pictured on the right along with Fr. Titus and her trainer Suganya Kasthuri) Thank you for volunteering to our Altar Server Ministry.

Thank You for Joining Me on This Journey

Dear COL Parish Community,

It is with mixed emotions that I leave the position of Director of Elementary Faith Formation. However, after 31 years of ministering with the children and families of our faith community, it is time to retire. I have met many wonderful people here and have experienced first-hand the welcoming spirit that was St. Peter Celestine and is now Christ Our Light. What a vibrant place this is!

I have had the great pleasure and privilege of working side by side with Mary Lou Lymper, who has kept the Faith Formation office running smoothly. She has been my right hand and has given more of her time and talent to our parish than can ever be recorded. She has become my friend. We have shared many of life's ups, downs, laughter and tears together.

I cannot guess how many children, parents, and guardians I have worked with, and who impacted my life in ways they will never know. They taught me to be a more open and understanding catechetical leader – lessons well learned!

A highlight of directing Elementary Faith Formation has been the opportunity to support parents and guardians as they readied their children to celebrate the sacraments of 1st Reconciliation and 1st Eucharist. It is my prayer that the work we did helped to strengthen their relationship with God.

I am more than grateful to the legions of volunteer catechists who found it in their hearts to share their Catholic faith with the children of our parish. They served the children and their families with care, grace, and held them in prayer.

Additionally, it has been a gift to collaborate with a Parish Staff who bring their ideas and thoughtfully discuss upcoming events, policies, and ideas for the benefit of our parish.

SPC/COL has been “home” to me since 1982. My family has celebrated Baptisms, First Communion, Confirmations, Graduations, Weddings, and Funerals here.

Fun Fact: I have served our parish under every pastor – Msgr. George Sharkey, Msgr. Jim Tracy, Msgr. Thomas McIntyre, Fr. Tom Newton, and Fr. John Picinic. They have each, in their own way, guided me in the role of Director of Elementary Faith Formation

My future plans are simple; to spend more time with my children and grandchildren, enjoy the Jersey shore, and embrace the blessings in my life.

Thank you all for having joined me on this journey,

Ginny Grogan

Parish Nursing - Summer Heat Safety

Summer creates great opportunities for getting outside and having fun! Barbeques, beach trips and picnics are all social events we can enjoy outdoors that also provide

opportunities for exercise and social interaction. These are all great ways to help our mental and physical health! While spending time outdoors during the summer months can provide many benefits, it's important to be aware of added stress it can place on our bodies. This month we are sharing some summer safety tips to protect you from the heat.

Protect Yourself from the Heat and Sun

- Do outdoor activities during the coolest part of the day, in the early morning or evening.
- Exercise in an air-conditioned space if possible; or do water workouts.
- Try to stay in the shade when outdoors during peak sunlight.
- Drink plenty of liquids, especially water. Avoid drinks that contain alcohol or caffeine.
- Wear protective clothing, such as hats, long-sleeve shirts, and long pants to block out the sun's harmful rays. Choose light-colored, loose-fitting clothing.
- Use sunscreen that blocks both UVA and UVB radiation. Choose a sun protection factor (SPF) of at least 15, preferably 30. Reapply frequently, especially when swimming.
- Use sunglasses that block both UVA and UVB.
- If you do not have air conditioning, keep your house as cool as possible. Limit using the oven, keep shades, blinds or curtains closed during the hottest part of the day. Open windows at night.
- If your house is hot, spend time during mid-day some place that has air conditioning such as a library, shopping mall, senior center, etc.
- Listen to weather reports and plan accordingly; if temperatures or humidity are rising or an air pollution alert is in effect, there is an increased risk for heat-related illness.

Care for Creation Corner

Creation Care Corner

"...we see how environmental deterioration and human and ethical degradation are closely linked" (LS 56). -Pope Francis

Ecological Sin

In Pope Francis' encyclical *Laudato Si'*, a holistic understanding of sin is presented. It is the rupture of the basic relationship with the Creator, with our fellow human beings and with creation itself. All of creation is a message of love from God. As such, the destruction of our planetary home is a sin against God. It constitutes nothing less than disrespect towards the Creator. Similarly, it constitutes a sin against our fellow human beings, since a healthy natural environment is for the collective good.

Pollution of land, water or air that harms the health of others is to be considered sinful. In the case of anthropogenic climate change, excessive greenhouse gas emissions which impact poor or vulnerable communities are also considered sinful. If ecological sin is a rupture of fundamental human relationships with the Creator and the rest of creation, then we need to heal that rupture. "It is significant that the harmony which Saint Francis of Assisi experienced with all creatures was seen as healing that rupture" (LS 66).
