Stewardship

Stewardship Sharing

"Thus, the last will be first, and the first will be last". - MATTHEW 20:16

You've heard the saying "it's not where you start, but how you finish." This certainly applies to this Bible passage. We have a responsibility not only for our own lives, but for the lives of others as well. We are called to generously share our gifts through stewardship, not hoard them for our own use. Our sincere gratitude and cheerful generosity will help us live "God-centered" lives and not "self-centered" lives.

Pledges Received (as of September 13, 2026): \$226,262

Amount Remaining: \$15,038

93.8% of our goal has been pledged!

If you have not yet made a gift, please consider helping us reach—and exceed—our goal. Together, we can make a lasting difference through our shared commitment to faith, service and outreach. Thank you for your continued generosity and support.

Question of the Week

LIVING IN THE LIGHT

The Word

Reading for September 20, 2026

Matthew 20:1-16

Adults:

When have you trusted someone even though you did not understand, or even disagreed with them?

We offer this form of *Lectio Divina* (sacred reading) for pondering Scripture and for faith sharing with family members and other people.

- Listen/ Read (*Lectio*): Ponder God's word and listen for what touches your heart.
- Meditate (*Meditatio*): Attend to what you notice. Allow God's word to resonate in you.
- Speak/Share (*Oratio*): Prayerfully share with Jesus or with the group your thoughts and feelings.
- Rest in God's presence (*Contemplatio*): Notice God's presence and be still, surrounded by God's love.
- Choose to act (*Actio*): Trusting in God's nearness, commit to action rooted in love.

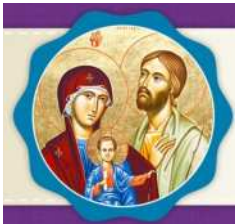

Youth:

When have you focused on what you feel you deserve, rather than expressed gratitude for what you have?

Children:

What are you grateful for? What are some of the gifts God has given you?

The Catholic Community of Christ Our Light Children's Liturgy of the Word

CHILDREN'S LITURGY OF THE WORD

Children's Liturgy of the Word (CLOW) will resume on Sunday, September 27 at the 8:30 a.m. and 10:30 a.m. Masses.

The purpose of this special Liturgy is twofold:

- To provide a quality liturgical experience
- To facilitate the proclamation and breaking open of Scripture with the children

What is Children's Liturgy of the Word?

- CLOW is a part of the Mass
- The Church encourages a separate liturgy to allow the children to participate and understand
- Appropriate for children between the ages of 5 and 12
- All are welcome - No registration is necessary
- We meet in the church and the children remain with the assembly and their parents for the opening of Mass
- The children are dismissed by the celebrant after the Opening Prayer.

Gather the Children

- The children form two groups: second grade and younger; third grade and older
- They are led to rooms in the Ministry Center of the church
- A candle is lit to remind the children of the presence of the Lord; they are reminded that they are still at Mass.
- A Reading, Responsorial Psalm, and Gospel are read.
- An interactive sharing follows: the children discuss what they heard; what the readings mean to them; practical ways they can incorporate what they heard into their everyday lives.
- The children return to the assembly after the Offertory Procession

VOLUNTEERS ARE NEEDED

- Adults and teens are needed to proclaim and share the Word of God
- Requirements: enthusiasm and the willingness to share your faith with the children of Christ Our Light Parish
- Scheduling is approximately once a month
- All materials are provided and emailed and mailed home the week before you are scheduled
- Facilitators do not have to come up with ideas - just present them and, most of all, let the children LEAD you.
- Feel free to come back with the children during a CLOW session to observe
- Facilitators have commented that they learn so much from the children
- As one child said, "CLOW helps me understand; I don't understand all those big words."
- If you have questions or would like to volunteer, contact Melissa Linden
mlinden@christourlight.net

"Because of us, thousands of species will no longer give glory to God by their very existence... We have no such right" (LS 33).

-Pope Francis

Protect Species Diversity

Scientists report that nearly one million species are at risk of extinction by the end of this century, driven by human activity. Biodiversity is necessary for a healthy world. We can take individual action to protect biodiversity by:

- Reducing our fossil fuel usage which contributes to warming that is contributing to growing extinction rates
- Eating foods that require lower land use or reduce aquatic impact to minimize habitat loss
- Advocating for Congressional legislation that will conserve nature and promote clean energy
- Supporting local conservation efforts or organizations that are making a difference
- Planting native flora to support the wildlife around you, and minimizing your use of pesticides and herbicides.

Consider spending time to better understand how the way we live our lives impacts the world around us. There are opportunities for all of us to make modifications to help ensure future generations can enjoy a world as beautiful, diverse and ecologically healthy as the one we inherited.
