No one is so rich that they
have nothing to receive

Sunday market outside of our hotel in Santa Cruz

What to expect:

You will meet some very interesting people
 You will see things that are both familiar and strange
 You will have a lot of questions
 You will never forget this experience.

Our Mission:

Christ Our Light has been going to Guatemala for ten years under the sponsorship of S.O.S (Sending out Servants), a group based in Houston, TX. Our mission is that of a ministry of presence. We do not go to build or repair homes or dig wells. We are there to build relationships. The major focus is on catechesis for the children (very much like Vacation Bible School) and faith-sharing for the adults.

You do not need to speak Spanish for this trip. We try to take four Spanish speaking translators. The local language is Quiche although the children learn Spanish in school and quite a few adults also speak Spanish.

Preparation:

We have four team formation meetings. These meetings usually last four hours each. The purpose of these meetings is to learn more about Guatemala (information) and to get comfortable with our team and with aspects of the experience like faith sharing (formation). Additionally, you will be on a team either for the adult or children's programs. You will have meetings outside of these formation meetings to plan. These planning meetings for your program are a commitment of approximately 8-10 hours. The team formation meetings are important and we try to schedule these so everyone can make all the meetings.

After the experience there is a team retreat and an event for sharing the experience with the parish.

Transportation:

We fly in and out of Newark Liberty Airport. We ask family members to help with transportation to and from the airport.

Our week:

Saturday is a full day of travel to Santa Cruz. After we land in Guatemala City, we have a 4-5 hour bus ride to Santa Cruz which is our home base for our work in LaPuerta.

Monday through Wednesday our schedule is fairly similar

- Morning prayer
- LaPuerta 7:30 am—4 pm
- Dinner
- Evening reflection, prayer and preparation for the next day

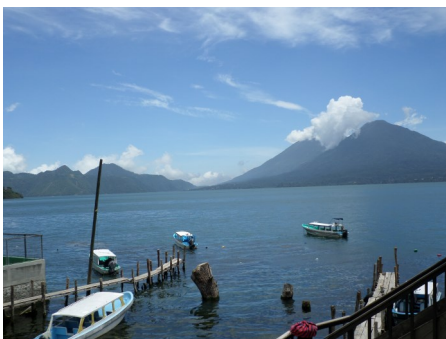

Sunday— We head to LaPuerta where we have Mass or a service of the word with communion. Following our prayer, we eat lunch prepared by our Maya hosts, have community activities and then split into the children's and adults' program groups.

Monday and Tuesday— Our mornings we visit the homes of our Maya friends for faith sharing. In the afternoons we conduct the children's and adult programs.

Wednesday— This day includes a meeting with the community, maybe Mass and general community time with the Maya.

Thursday— We head to Antigua with a stop at Lake Atitlan on the way.

Friday— In Antigua, we visit the church of San Francisco where a local saint, Hermano Pedro, is buried. It is also a time for prayer and reflection. After that, we visit Hermano Pedro Hospital. You have the afternoon to visit the market and buy souvenirs or just take in some of the sites of the city. In the evening we have a final reflection and prayer time together.

Saturday— Fly out of Guatemala City airport; arrive in Newark around 8:00 pm

Prayer and Reflection:

These are an integral part of the experience. The expectation is that everyone participate, although it is up to you as to what and how much you share.

Accommodations:

We stay in a hotel in Santa Cruz which is about 40 minutes outside of LaPuerta where we serve. This hotel, El Sitio, is a hotel that SOS groups have stayed in for years. We stay in another nice hotel in Antigua. Although the accommodations are simple, you will not be “roughing it.”

Safety

We do our best to ensure the safety of our group members. We work with companies, hotels and individuals who have known us for a long time and would alert us if there were any concerns for our safety. We also include a presentation on safety as part of our team formation. Part of the program cost includes travel insurance in case of any medical or political emergency. We also list our group with the State Department which sends out alerts if needed. There are no guarantees in life, but we do our best to protect our team.

**Meals:**

We have breakfast and dinner at a local restaurant in Santa Cruz. They also prepare our lunches for us. If you have special needs for your meals, let us know. The cost of all meals, except for lunch at Lake Atitlan and lunch in Antigua, are included in your fees.

Cost:

The cost of the trip is \$1400. This includes your flight, all hotels (double occupancy), and all meals except for the two indicated above. If you would like to request a private room for all hotels, there is a flat fee of an additional \$100. If you are unable to pay the entire amount for the trip, there is a space on the application form to indicate that you are requesting help with the program costs. Do not hesitate to ask if you need it. The money is collected in three payments.
