Stewardship

Living Stewardship

"Everyone who acknowledges me before others I will acknowledge before my heavenly Father." MATTHEW 10:32

Stewardship
a way of life

Would others know that you are a Catholic Steward by the way you act and speak? Do you share your Catholic faith with others? Do you defend your Catholic faith when the situation arises or do you remain silent? Do you pray in public before meals? Pray for the strength and courage to be a joyful witness of our Catholic faith when the opportunity presents itself. Let us become the radiant light and bold witness that we are called to be!

LIVING IN THE LIGHT

The Word

Reading for July 2, 2023

Matthew 10: 37-42

Adults:

How are you called to “lose your life” for the sake of Jesus?

We offer this form of *Lectio Divina* (sacred reading) for pondering Scripture and for faith sharing with family members and other people.

- Listen/ Read (*Lectio*): Ponder God’s word and listen for what touches your heart.
- Meditate (*Meditatio*): Attend to what you notice. Allow God’s word to resonate in you.
- Speak/Share (*Oratio*): Prayerfully share with Jesus or with the group your thoughts and feelings.
- Rest in God’s presence (*Contemplatio*): Notice God’s presence and be still, surrounded by God’s love.
- Choose to act (*Actio*): Trusting in God’s nearness, commit to action rooted in love.

Youth:

In what ways is God calling you to take up your cross?

Children:

How can you help someone else who does not have what they need?

Parish Nursing

At the May 10th meeting of the Pastoral Council, our Parish Nurses came to tell the Council all about their wonderful ministry and the benefits to the Parish's well-being.

They concentrate on three areas – a Healthy Body, a Healthy Spirit, and a Healthy Community. They continue to work hand in hand with the Diocesan office – Vitality – in presenting our parish with very valuable services. They put people in touch with the resources they need. Through all their programs, they have had 558 contacts with parishioners so far this year!

Some of the services provided were blood pressure checks and health screening; caregiver support groups for diabetes, stroke and cancer caregivers; chair yoga; How to Prevent Falls workshop; visitation of the sick in hospitals, assisted living facilities, or in homes; providing transportation to doctor's visits and Mass; their phone ministry where they call to check up on parishioners and provide comfort; and they organized a Family and Friends CPR class.

If interested in becoming a Parish Nurse or if you need the services of a Parish Nurse, please contact Susan Bruce, Leslie Skolnik or Pauline Sundell through the parish office (856-667-2440).

Parish Prayer Garden

The construction of the parish's new prayer garden will take place on the weekends of July 8 -9 and July 15-16. Any support you can provide would

be greatly appreciated. Included is an image of the expected layout of the prayer garden. Please call or text Matthew Douglass at 856-625-9403 with any questions or concerns.

Let's pick a day each month to go out for dinner and spend time getting to know each other over a good meal. Single and married are welcome to join. Eucharistic Revival

We are now in the second phase of the three-year process of **National Eucharistic Revival**. This phase will foster Eucharistic devotion at the parish level, strengthening our liturgical life through faithful celebration of the Mass, Eucharistic Adoration, missions, resources, preaching, and organic movements of the Holy Spirit.

The **MISSION** of the **National Eucharistic Revival** is to renew the church by enkindling a living relationship with the Lord Jesus Christ in the Holy Eucharist.

The **VISION** of the National Eucharistic Revival is to inspire a movement of Catholics across the United States who are healed, converted, formed, and unified by an encounter with Jesus in the Eucharist—and who are then sent out on mission “for the life of the world.”

Let us all pray together for the success of this mission and the realization of this vision in our parish, our diocese, our country, and our world today. *God Our Father, during this month of June dedicated to the Sacred Heart of Jesus, help us to know and love Your Son, truly present in the Holy Eucharist. Amen!*

Addictions Healing & Recovery Newsletter

VOLUME 3, ISSUE 6

JUNE 12, 2023

From Jesus Christ, the faithful witness, the firstborn of the dead and ruler of the kings of the earth. To him who loves us and has freed us from our sins by his blood, who has made us into a kingdom, priests for his God and Father, to him be glory and power forever [and ever]. Amen.— Revelation 1:5-6

Addiction in the Family: A Family's Role During Recovery

Many loved ones in recovery and their families discover the concept of CHIME (connectedness; hope and optimism about the future; identify; meaning in life; and empowerment). Folks discover a new identity—one that embraces meaning and purpose and casts loved ones in a new light, no longer as the "troubled one" or a "bad one". The entire family is empowered to rise to their best possible selves.

In doing this, families become listeners, not tellers or yellers, and responders, not reactors. Families allow their loved ones to take responsibility for their actions. Family members do not hover or steamroll their opinions or try to wrap their loved ones in plastic wrap and control their behavior. They no longer worry endlessly if their loved ones are going to counseling, taking their meds, or going to support groups. They give loved ones the space needed to succeed on their own by setting clear and healthy boundaries.

And they engage in their own recovery, through family programs, support groups, self-care and/or counseling.

Families continue to learn about addiction and mental health and, with that, the seven Cs of recovery:

1. I did not cause the disease
2. I cannot cure the disease
3. I can't control the disease of my loved one
4. I can take care of myself
5. I can communicate my feelings
6. I can set healthy boundaries and make healthy choices
7. I can celebrate myself for taking action

Through this journey, families also learn that they are competent, confident and courageous in learning about the disease.—L. Stanger, EdD, LCSW
