Stewardship

Stewards Follow

Stewardship
a way of life

"...whoever does not take up his cross and follow after me is not worthy of me." MATTHEW 10:38

Pope Benedict XVI said "The world offers you comfort. But you were not made for comfort, you were made for greatness". "Comfort" puts me first. "Picking up your cross and following Jesus" puts God and others first. Why settle for comfort when you can achieve greatness! Pick up your cross, ask Jesus for guidance on using your gifts and live the life of Stewardship God intended for you!

Ever Ancient, Ever New

Join us online, Wednesdays at 7PM for study, reflection, and conversation on readings from Church history. We'll look at an excerpt each week from the writings of significant writers in church history, saints, and Doctors of the Church, from the apostolic age all the way through to modern times, and journey together into communion with those who have come before us. No prior preparation is required, only a desire to learn more about our faith and connect more deeply with our tradition and with one another. Hope to see you! For Zoom link and questions please email Chris Becker, ccb138@gmail.com, or Cathy Johnson, cjohnson@christourlight.net.

Pastoral Council

New & Easy Parish Registration

Through the Pastoral Council Suggestion Box a request was submitted that it should be easier to register to be a member of Christ Our Light parish. We heard you and have updated how the website works.

CHECK THIS OUT! Go to our parish website at www.christourlight.net via your mobile device or on a computer and look for the Quick Links box. Just click on JOIN US and register online via a simple electronic form! If you have any questions, please contact the Parish Office at 856-667-2440

Pastoral Council Suggestion Box

In October 2021, Pope Francis officially opened the Synod on Synodality. It is a process that includes listening to the people and hearing where and how the Holy Spirit is guiding us. The hope for this process is that “by walking together, and together reflecting on the journey made, the church will be

able to learn from what it will experience, which processes can help it to live communion, to achieve participation, to open itself to mission.”

In following the Synodal process, the Pastoral Council desires to consult and seek the wisdom of the People of God in our parish. We welcome your feedback and comments on how we at Christ Our Light can live our daily lives as witnesses to the Good News of the Gospel.

A suggestion box will be at the Welcome Desk and the Pastoral Council can also be contacted at PastoralCouncil@christourlight.net.

Thank you for the comments and feedback you have submitted thus far. The Pastoral Council is working with appropriate parish resources in evaluating and giving consideration to every suggestion. Please continue to submit your ideas in what will help you and your families grow in faith and love. You may also want to share affirmations and gratitude for anything that has lifted your spirit or have made a difference for you.

Bible Study
& Dinner Group

Are you interested in diving into Scripture and sharing your reflections with others in their 30s & 40s? Once a month we'll review the most recent Sunday's readings and share our thoughts on what we think God is telling us. But it doesn't stop there! Let's pick a day each month to go out for dinner and spend time getting to know each other over a good meal. Single and married are welcome to join. We meet on the first and third Mondays of each month. **Our next meeting is Monday, July 3 at 7:45PM in the San Lorenzo Room.** For more information, please contact Meg Sundell, megsundell@gmail.com

Eucharistic Revival

As we continue our parish-level phase of the **National Eucharistic Revival**, let us pray together for the success of our mission! Consider cutting this out and putting it somewhere visible in your home so that you can pray this prayer frequently:

Prayer for the Eucharistic Revival:

My God, I believe, I adore, I hope and I love You! I beg pardon for those who do not believe, nor adore, nor hope, nor love You. Most Holy Trinity, Father, Son and Holy Spirit, I adore You profoundly. I offer You the most precious Body, Blood, Soul and Divinity of Jesus Christ, present in all the tabernacles of the world in reparation for the outrages, sacrileges and indifference by which He is offended. And, through the infinite merits of the Sacred Heart of Jesus and the Immaculate Heart of Mary, I beg of You the conversion of sinners.

Amen!

Carbon Footprint

We know that the main factor in global warming is the release of greenhouse gases (such as carbon Dioxide – CO₂ and Methane – CH₄) into the atmosphere by humans. In the book *Everyday is Earth Day* by Harriet Dyer (2021), carbon footprint is described in terms of what carbon gases are emitted by one person as well as the footprints created by a chain of individuals and organizations.

As an example, you decide to purchase a cotton T-shirt made in China. At first look, you would consider that your carbon footprint would be the gas you used in your car to drive to and from the store. But it is more complicated and the footprint is actually much larger. One needs to consider the energy needed to grow and water the cotton, manufacture the T-shirt, ship the shirt from China, and store the T-shirt in a warehouse or store. These indirect carbon footprint is the equivalent of approximately 20 lbs. (five two-liter bottles of soda) of CO₂ being released into the atmosphere.

We can make small changes in our routines that can make a difference, one person, one family at a time. Since last week we were talking about recycling, we can start there.

Recycling facts from *Everyday Is Earth Day* (2021):

- It saves 10 -15 tons of CO₂ a year or the equivalent of taking 3.5 million cars off the roads.
- Recycling aluminum uses 95% less energy than making it from raw materials.
- Recycling paper uses 40% less energy and every ton of recycled paper saves 17 trees.
- By recycling plastic, 70% less plastic is created.
- For every 1 job in waste management and disposal, 4 jobs in recycling industry is needed.
- It costs governments twice as much to send waste to landfill than to recycle it.

Tips:

1. Buy new things less often. Ask yourself if you really need the item. Can I borrow the item or purchase it secondhand? If clothing, consider purchasing the highest quality you can afford and consider classic styles as opposed to trendy fashions that will go out of style quickly. The fewer items you buy results in having fewer items to dispose of at the end of their cycle.
2. Rethink your internet shopping. Do you really need the item within the next 24 hours? Can you buy it locally rather than having it shipped? This saves the fuel in delivery by air or truck to your doorstep, as well as the cardboard, plastic, and other packaging used to ship it.
3. When you do decide to shop online try the following: pick up at local store; don't accept multiple shipment orders; and request "frustration-free packaging" (Amazon option). Item is shipped in easy-to-open recyclable materials with minimal waste.

Have You Heard of Mustard Seed Communities?

Mustard Seed Communities began in 1978 in the impoverished community of Mona Common in Kingston, Jamaica, as a home for a handful of abandoned children with disabilities. Today, MSC serves over 600 children, young adults, and families in 18 residential homes throughout the Caribbean, Central America, and Southern Africa. Each home creates an environment that aids in the physical, mental, and spiritual development of residents.
