Women's Cornerstone Retreat

WOMEN'S CORNERSTONE RETREAT

HERE I AM, LORD

Join us as we appreciate and affirm the beauty
of God's greatest gifts

We come together as a community to grow in our knowledge and love of God.

This is a retreat for women, led by women.

This is a weekend to be inspired by the conversations with other women who share their own journeys, how each has responded to the Lord's invitation to bring his light and love into the world, by saying, "Here I am Lord," ready to serve whether it be through my faith, within the family, community or for my country.

During the retreat, you will become more actively involved in your own spiritual development. It's a time to engage in quiet reflection and a time to get to know other women in our parish.

There will be opportunities for prayer, faith sharing, reading scripture, and group discussions. Selected team members will share their stories through witness talks: personal experiences of God's love and presence in their life.

Think of this weekend as a time to relax and experience the mercy of God through prayer, quiet, and conversation in the company of faithful women.

A Story of Hope From Bangladesh

"The vegetables I sell at the market help me to provide financially for my family." – Shahadat Hossain

Shahadat waters and cares for his vegetable crops that provide his family with food and income.

Protecting Crops from Natural Disasters.

Shahadat Hossain lives on Manpura Island in Bangladesh. He is a successful vegetable farmer who grows beans, pumpkins, tomatoes, eggplants and green chilis. He spends his day caring for his cows and tending the garden plots on his family's land. Their farm provides nutritious food for Shahadat's family to eat and extra produce he can sell at the market.

But a few years ago, Shahadat's family struggled to pay for basic household expenses like food and school fees. His father worked as a motorbike driver but only earned a small income. His mother grew vegetables, but without much success. Their village, and much of Bangladesh, is located on flat lowlands. The intense rainy season causes flooding that often destroys farms and crops.

"The desperation in my life was so immense. Farming would cost a lot of money, and we were in a state of mental, physical and financial loss all the time," Shahadat says.

Despite these challenges, Shahadat didn't give up. He and his mother joined a Catholic Relief Services' project—implemented in partnership with Caritas Bangladesh—that helps families reduce their risk from natural disasters like flooding, cyclones and river erosion. They learned how to protect their crops from floodwaters by planting on raised garden beds. They also learned how to make organic fertilizer to grow healthier crops. With their new skills, Shahadat and his mother boosted their vegetable harvest in just one year. Then they bought cows and chickens and sold the eggs for additional income. Soon, Shahadat could afford to pay for his college tuition and for the education of his brothers.

"With the CRS training, my family can grow vegetables with less money. The vegetables I sell at the market help me to provide financially for my family," Shahadat says.

Shahadat's dream is to help other families in his community learn how to grow successful crops and become prosperous, too.

This Lent, try making dahl, a meatless lentil dish commonly eaten in Bangladesh. See recipe at <https://www.csricebowl.org/recipe/dahl-bangladesh>

Care for Creation - Palmyra Cove Beach Sweep

Save the Date: Saturday, April 12th will be the next NJ Clean Ocean Action Beach Sweep at Palmyra Cove. Because of the tides, the Palmyra Cove Beach Sweep starts at 9:30 AM and ends at 12:30 PM, which is a later start time. Volunteers will collect trash and recyclable items on the shore of the Delaware River at Palmyra Cove. Each group will have one volunteer who will tally all debris found and notate in categories such as plastic bottles, plastic caps, snack wrappers, and balloons. All tally

sheets will then be tabulated from over 80 NJ beach sweep sites. A yearly report that combines the spring and fall beach sweep is sent to the State of New Jersey. Parishioners of all ages including school age children, families, scout troops, and seniors are all welcome to be “citizen scientists” for a day. If you wonder what you can do to help the environment, this is definitely something to consider doing. Why? The results of yearly reports have changed New Jersey regulations. Shore townships have banned plastic straws after receiving the reports about the number of straws collected and how those plastic straws were found to have killed fish and wildlife. The law banning plastic bags in New Jersey grocery stores is a direct result of the NJ Clean Ocean Action reports.

Another reason to volunteer for this environmental service project is the organization. Palmyra Cove will have a captain from Clean Ocean Action to check registrations and answer any questions you have. The sweep provides grabbers, bags, and gloves. There are red flags to mark items that the sweep captain will tell you to flag and not pick up. A final plus is that the Palmyra Cove building is open and the sweep has table with water, juices, and various snacks. (The website encourages volunteers to bring buckets to collect trash rather than use plastic bags.)

You can join a group from Christ Our Light by going on the NJ Clean Ocean Action website and follow the directions for the April 12th Beach Sweep. Our beach sweep is in Burlington County, Palmyra Cove. To give Christ Our Light volunteers credit and be listed in the annual report, be sure to put Christ Our Light Catholic Church in the space for organization or group. If you have questions or after you register, please contact Sandy Czerniakowski at dczerniakowski@comcast.net or 956-231-7879 so that we know how many will be volunteering from Christ Our Light.
